Bob's Bit

G'DAY all. We've a lot of different events coming up over the next few months, so there's plenty of opportunity to get involved.

Don't forget the Club's 10th Anniversary Dinner and send your money in as soon as possible, this will be followed on the Sunday by the Trials morning at John & Maureen McKinnon's - This is always great fun and the effort that John puts in setting up the course is very much appreciated to the riders and spectators who turn up. Even if you don't wish to ride wander over and have a look. On page 2 you'll see details for the Kulin Pub Ride and Hyden camping, both should be great weekends. One of the most popular events we have each year is the week away in September, read page 7 for a full itinerary.

John and Forrest have once again arranged for our AGM at Woodbury Boston Hall which is a great venue - as well as a brilliant view, so come along. Chris has had a couple of stints in hospital lately but is now doing well. She would like to say thanks for the many phone calls, cards, flowers and chocs especially those sent by the Club. She'll be back riding the bikes shortly. Don't forget to send in old pics of yourself on bikes for the Old Picture Gallery. Thanks to the contributors this issue which include: Barry Robson, Raelene Blake, Jo Harrison, Robin Bromilow, Garry Blake, Antoinet Glazema, Chester Powell and Andy Burn.

Perth Rides

JOHN Sinclair is compiling a list of Perth members which will include their email address. When there's a Perth Ride he is then going to email everyone on the list to remind them of the ride just before it happens. He is going to ring to get your email address. It would be a lot easier though if you could email John at ljsinclair@bigpond.com

Cruising on a Cat

JOHN and Forrest Woodbury have once again offered their "Albany Whale Tours" catamaran for an afternoon sail around the harbour in September. You never know there might even be a whale about at that time of the year. Skipped by John, the cruise will be at 2 pm from the Town Jetty on Saturday, September 5. But if the weather isn't too good we will postpone it till the following Saturday (15th). So if the weather looks iffy ring Bob or Chris 9841 5501 and we'll let you know if its on or postponed till the following week. Bring your own drinks and nibbles for a relaxing afternoon on the harbour. Any members with experience in sailing to help crew the boat, ring Bob.

Parking Your Bike in Albany

CLUB member and Albany City Councillor Gordon Kidman has been in contact with me to say that further to the comment on bike parking in car parking bays in Bridgetown in the last Club News that Albany City Council by-laws permit motorcycle parking in car bays in Albany. If possible it is appreciated if the bike can be angle parked to allow other bikes to park next to it.

Motocross Track

Gordon also said that the Council hands were tied as far as the current Albany Motocross Track was concerned as a neighbour complained about the noise and involved the Environmental Dept who said the decibels were too high. Council is apparently trying to find an alternative venue, hoping the proposed motoplex track will be available for their use. Incidentally the only replies we recieved to our letters to Councillors, the mayor and Peter Watson were from Councillor Vera Torr, Councillor Gordon Kidman and MLA Peter Watson

Bus Driver

THE Veteran Rally to be held over the last week of October is looking for volunteer drivers with a "B" Class license to drive their 22 seater bus. This could be just for part of the day or a full day. The event should be excellent, is being run by the Vintage Motorcycle Club and if you can help at all please ring Colin or Sue Butler on 9846 4337.
