

# CLUB MEMBERS OLD PICTURE GALLERY

THE pictures were taken when Martin Pope and his mates rode over to the 1962 Isle of Man TT Races via the ferry from Liverpool. Martin was also there for the 50th anniversary of the TT in 1961 and returned last year for

the 100th anniversary, half your luck Martin. The three pictures of the racers were postcards which Martin purchased at the Isle of Man and were printed and published in Douglas.
